PARMAR & SM
CONSTRUCTION

Parmar & SM Construction was created in order to consolidate and lead the Region’s development project. The Company has evolved to create Landmark constructions in the field of Development of Commercial & Residential projects. Our company believes in constructing modern and top of the art buildings in Mumbai. It is our goal to modernize the construction industry, thus we use modern technologies and design, is one of our concerns.

It all started off as a conglomeration of construction and fabrication companies such as Parmar Metal Tech, Parmar Build Tech Parmar Constructions, and Bhakti Builders. Each of these names is a pillar of the multi faceted group and today has made reputations for themselves in their respective fields.

The Company is proud to have launched, executed and delivered various projects over the last three decades; the uncompromising quality and timely delivery of these projects have made today an industry to reckon with.

The group also hopes to build faith, respect and goodwill that it has build over the last three decades. We invite you to join our journey, be a part of our growth story, walk with us together take it to newer heights
